## commitment to quality

Whether you are organizing a company meeting or the biggest day of your life, we are committed to removing as much stress from the experience as possible. By choosing Confederation Centre of the Arts for your event, you can be assured of the highest quality of service, product, and delivery from every department. Our classy setting and distinct architecture are both mirrored by our quality of food and attention to detail, and we will be pleased to help you organize and execute any event to perfection.

## confederation centre of the arts

Located in historic Charlottetown, the Centre offers one of the largest convention and meeting facilities on Prince Edward Island. Within walking distance of three major hotels, shops, music venues, and restaurants, our fully accessible facility can easily accommodate any function, from an intimate reception to a large themed banquet.

### ALL-CANADIAN EFFORT

In 1964 each province and the federal government committed 15 cents on behalf of each citizen of Canada to raise the total of \$5.6-million needed to construct Canada's National Memorial to the Fathers of Confederation— those visionaries who gathered at Province House in 1864 to discuss the creation of our country.

Covering an entire city block, the Centre stands on Queen's Square, which was once the site of the Charlottetown marketplace. The Centre houses several theatres, a National Art Gallery, a restaurant, and a gift shop. Open year-round, it showcases the best in Canadian visual and performing arts and provides a dramatic and beautiful setting for any event.

*"... a tribute to those famous men who founded our Confederation. But it is also dedicated to the fostering of those things that enrich the mind and delight the heart, those intangible but precious things that give meaning to a society and help create from it a civilization and a culture."*

Prime Minister L.B. PEARSON, Opening Ceremonies for CONFEDERATION CENTRE OF THE ARTS, 06 October 1964

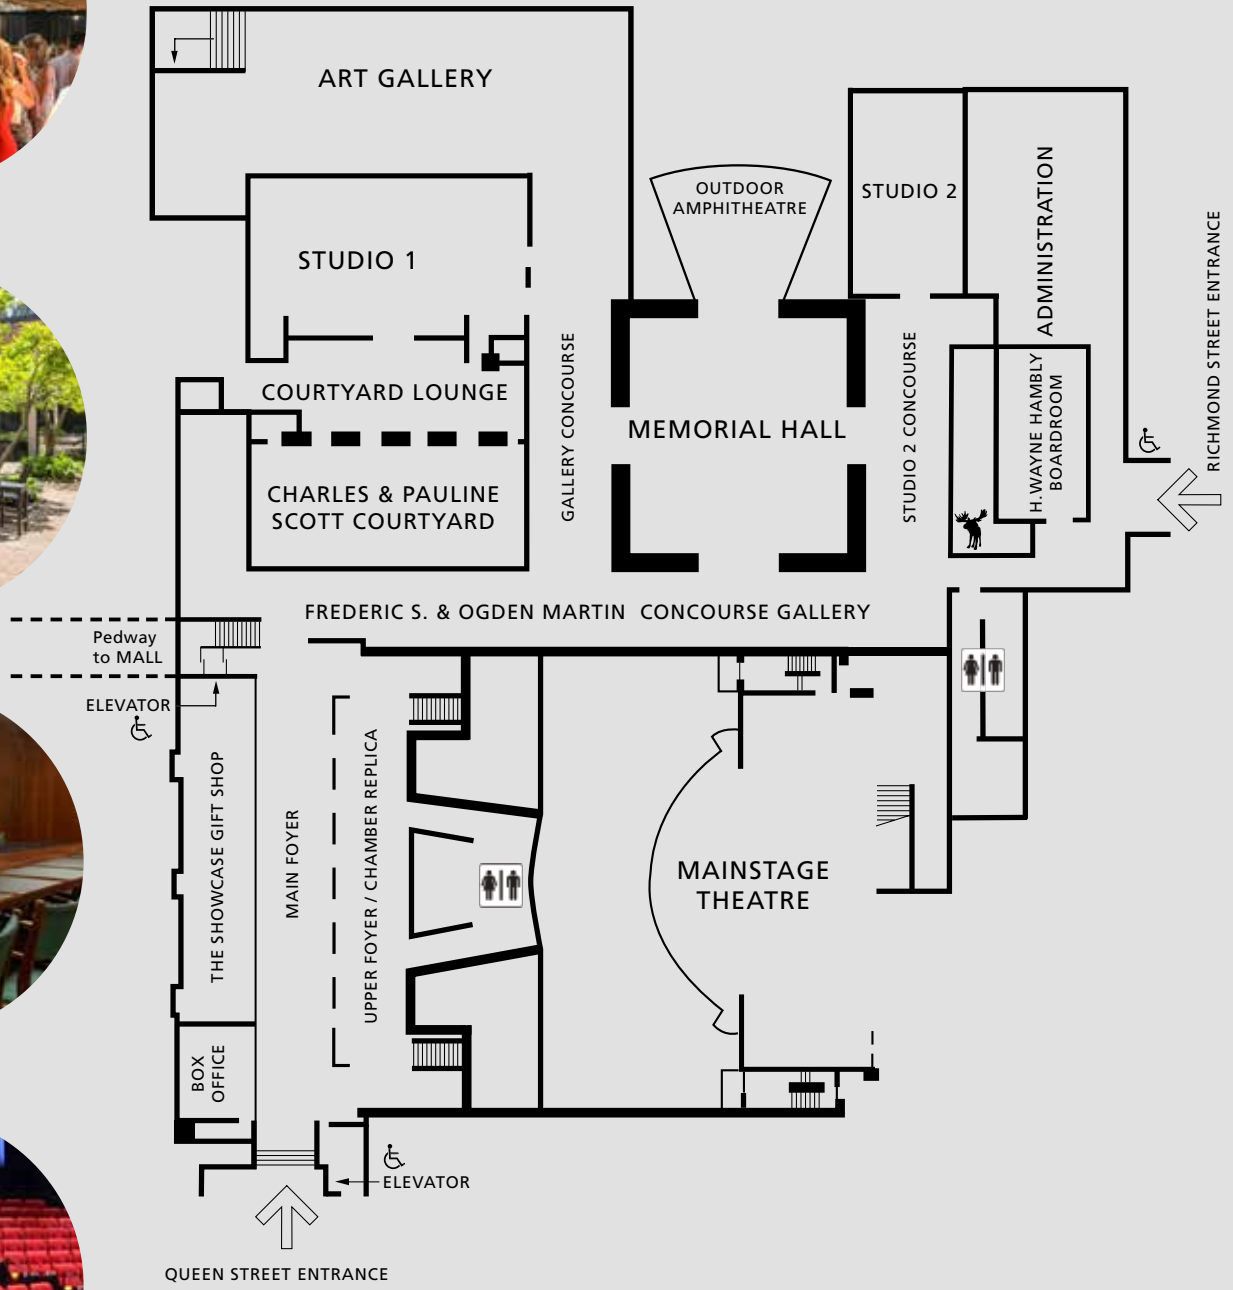

## home of Anne of Green Gables–The Musical™

With an abundance of in-house creative talent on hand and six decades of artistic excellence behind us, Confederation Centre can add that extra touch to your event that will make it truly memorable. Have Anne Shirley herself greet your guests and expound on the merits of ice cream, or engage our Theatre Dept. or Gallery Team to offer programming suggestions and other creative touches. Include a cabaret singer or grand piano in your evening; take your guests on an intimate tour of the Art Gallery; or have a guide lead them backstage for an unforgettable behind-the-scenes experience.

Please contact us for musical performer and tour pricing based on your requirements.
