## NUTCRACKER PERFORMANCE

It's Nutcracker year once again! Our cast for this show will rely heavily on our Performance Group dancers and ballet classes. While most rehearsals will take place during regularly scheduled classes, there will be additional times that you/your child will need to commit too. As choreography will start right away in the fall semester, this commitment means attending all dance classes leading up to the performance on December 2.

**The following classes will be participating in the Nutcracker:**

**In addition to regular class time, all Nutcracker performers will be required for the following rehearsals:**

When registering for your classes, please consider this commitment. If there is any reason you/your child is unable to commit to the Nutcracker but would like to stay registered in the above class, please reach out to us and we can discuss options.

## PERFORMANCE GROUP

Performance Group is an audition-based program for dedicated students who wish to develop their artistry and expand their performance opportunities. This is a non-competitive group and there is no charge to participate. Students learn repertoire throughout the year which may be performed at various opportunities in their communities, participate in workshops with visiting artists, and experience a taste of what it is to be part of a dance company. We are excited to announce that this year's performance group will be performing in our Nutcracker performance on December 2.

Please note that in addition to performance opportunities, students will participate in fundraising campaigns for their events and activities, there may be some additional costs for events not covered by fundraising/sponsorship which will be communicated as our fundraising goals are met.

Students must be age 12+ to audition and taking at least one technique class (ballet, contemporary, or jazz).

## YEAR-END SHOWCASE

To conclude a wonderful dance season, we finish with our annual year-end showcase performance on Saturday, May 4. Rehearsals take place Tuesday, April 30 – Friday, May 3 from 4:00 – 8:00pm. A full rehearsal schedule will be released in January. Please note that Creative Movement I (3-year-old class) will have an in-studio presentation on Saturday, April 27 in lieu of participating in the on-stage performance.

## **CLASS OFFERINGS**

### **NEW! Hip Hop for Boys**

Hip Hop of Boys is a class designed to create a safe and engaging space for boys interested in learning dance! This class focuses on breaking down the barriers to movement for boys by introducing students to Hip Hop styles in a supported environment. Lead by instructor Joe Dames, Hip Hop for Boys is for ages 8-13.

### **Inclusive Dance**

Inclusive Dance is a safe and welcoming space for dancers who may need additional accommodations due to cognitive, physical, or affective disabilities. This program allows students to explore dance and movement patterns at their own pace, while allowing their creativity to soar under the guidance of our trained educators and educational assistants. The Junior level is for ages 9-12 and the Senior level is for ages 13+. Inspired by the Boston Ballet's Adaptive Dance Program, Inclusive Dance is breaking down barriers to make dance accessible to students with disabilities.

This is a great precursor to our Creative Movement program.
